HOPE UNLIMITED for Children

Since 1991 Hope Unlimited for Children has ministered to the physical, educational, and spiritual needs of Brazil's street children who live in mortal risk. Using a comprehensive Christ-centered model, these children experience personal transformation while being equipped to live successful, productive lives as adult members of society. Our comprehensive model is long-term, residential, education and community-based. We measure success by the lives of hundreds of graduates who have truly broken the cycle of violence and neglect as evidenced by their own healthy families, careers, spiritual maturity, and church and community service.

"Let the children
Come
to Me"

- Jesus
